WRITING 1

What does the month of June mean to you?

When you were a child, what did you want to be when you grew up?

Birthdays.

WRITING 2

If heaven and hell exist, what words would you want to hear when you reach the gates of your eternal home?

Is it easier to remember a truth or a lie?

If you could create a new invention, what would it be? What would it do? What would be the name of it?

WRITING 3

The most recent thing you've purchased is the weapon you'll use in battle. What are you fighting the enemy with? How would you attack them with it?

Write about a piece of writing—book, article, etc—that changed your mind or shifted your perspective.

Is there a specific person, type of person, or group of people that you would like to experience life in your shoes? Why them? Write about what that would be like.
