WRITING 1

What's your favorite song(s) you could listen to over and over and still love it as if it was new? Write about it.

What's that chocolate doing?

Big ideas. Little ideas.

WRITING 2

Write about playing games with people.

The penny is going away. It's obsolete. It costs the government more than two cents to make each one. Write about the penny or things becoming obsolete.

It really annoys me when... OR: I really love it when...

WRITING 3

Write about all or any: hidden things, secrets, mysteries.

Which food are you?

Write about first impressions, falling in love at first sight, or judging a book by its cover.
