WRITING 1

What's a fun memory?

If your life was a movie, which actor/actress would you hire to play you?

Who do you miss?

WRITING 2

You're locked in a toy store overnight. What do you do?

Should voting be mandatory in all elections? Why/not?

Define what “cosplaying life”—not like at Halloween, or a Ren Faire, like when someone dresses as a character—means to you.

WRITING 3

Write a breakup letter to something you wish you could keep in your life. A tendency, an old sweater, whatever. But it isn't working for you anymore.

In what areas have you grown by attending this writing workshop?

In what way might the upcoming holidays be challenging for you?
